## ***Fostering Trust and Transparency in Governance: Investigating and Addressing the Requirements for Building Integrity in Public Sector Information System in the ICT Environment***

**Monthly Briefing Note February 2007**

---

### **Case Studies**

A draft report has been prepared on the first visit to Zambia and circulated between consultants for comment and input. A return visit will be made to Lusaka 19 – 30 March.

The second visit to Ghana commenced on 26 February and will run until 9 March. Early indicators suggest that this visit is progressing well.

Upcoming work includes the:

- second Tanzania case study visit which is scheduled for March
- first India case study visit which is scheduled for May (negotiations are ongoing with a contact in the Karnataka State Government)
- second India case study visit will take place in the period between June and August
- comparative study (possibly court records in Lesotho) in the second half of 2007.

### **Good Practice and Training Materials**

Work is ongoing with partners to develop the project's final deliverables including the good practice guidelines and training materials.
