

Fostering Trust and Transparency in Governance: Investigating and Addressing the Requirements for Building Integrity in Public Sector Information System in the ICT Environment

Monthly Briefing Note January 2007

Steering Committee

Notes of the December meeting were distributed and posted to the web site.

Case Studies

The first Zambia case study visit was completed 22 January to 2 February. Successful meetings were held with senior staff at the Public Service Management Division, the Ministry of Finance (including the Accountant General), the Cabinet Office, Office of the Auditor General, Ministry of Agriculture, the National Archives, the University of Zambia and DFID. It is anticipated that a return visit will be made to Lusaka 19 – 30 March.

Upcoming work

- second Ghana case study - 26 February – 9 March
- second Tanzania case study - March
- first India case study - May
- second India case study - June
- comparative case study in Africa – Sept/Oct

Good Practice and Training Materials

Work has commenced with partners to develop the project's final deliverables including the good practice and training materials.
