

Fostering Trust and Transparency in Governance: Investigating and Addressing the Requirements for Building Integrity in Public Sector Information System in the ICT Environment

**Monthly Briefing Note
November 2006**

Steering Committee

Arrangements were finalised to hold the Steering Committee meeting on 19 December 2006 by video conference. It will be hosted by the World Bank Video Conferencing facility and linked to DFID London, DFID Pretoria and DFID Dar es Salaam. Anne Thurston and Michael Hoyle will attend in person from Washington. All other committee members can attend with the exception of Nicola Smithers who is travelling that day.

Upcoming work includes:

- Finalising the agenda and supporting documents for the meeting.

Case Studies

The Africa case study work continues on schedule.

- The Lesotho case study report was submitted to DFID and related stakeholders.
- The Tanzania case study draft report benefited from additional information collected by the Trust's separate Government of Tanzania Personnel Records Management project.

Upcoming work includes:

- Finalising the draft Tanzania case study report and submitting it to stakeholders for comment.
- Finalising arrangements for the Zambia case study visit 22 January to 2 February.
- A return case study visit to Ghana is being planned for 15 to 26 January.
